Eagleye

Smooth, stress free IT No Problem.

Maintenance and Support

Through the use of 24/7 proactive monitoring, Eagleye searches through your entire IT infrastructure every 15 minutes to minimise downtime. We deliver a remote network monitoring solution, were are able to connect to your system and fix the issue our end, whilst minimising the need for onsite assistance reducing your costs.

Our Experts

Expert Support Engineers backed by a hands on Director who has over 20 years' experience in IT. A2Z Computing also has Dedicated Sales Professionals, Marketing, Online Sales and an Admin team. We are also complimented by several freelance personnel who provide specialist support when required.

Our objectives:

♦ Our customers are treated professionally, efficiently and with courtesy at all times.

♦ Our telephones are answered within three rings during working hours.

♦ All enquires will be responded to on the same day.

♦ We will ensure your IT systems always function as you require.

♦ We guarantee 100% commitment.

♦ We supply quality products at competitive prices.

♦ We support local businesses and charities.

"I am writing to let you know how grateful I am for the IT support you have offered our company since we first contacted you. The support contract you helped us create has proven itself to be perfectly tailored to our needs and the option of additional ad hoc support and call outs has proven to be invaluable when we have needed it. We truly appreciate your attitude that no problem is too small or large to resolve."

Ian Jones , Alan R Jones

"Working from home, IT is my biggest headache but I know I only have to pick up the phone to the team at A2Z Computing. They are always prompt, patient and extremely knowledgeable. Great job and highly recommended! Thank you. "
Karen Morgan : Senior Group Leader, Utility Warehouse

"Az is a pure genius when it comes to IT. Any problems with my laptop, I'm pleased to say I'm confident that his team always rectifies my problems and viruses, promptly and cost effectively. I would recommend anyone with IT problems or needing IT solutions to contact them at A2Z Computing."
Tracey Smolinski : Director, Introbiz

"I have used A2Z Computing on lots of occasions, both for personal IT needs and for school based support. We have had support from them for the school I work in for a number of years and this has always been excellent quality and value for money. As a result the school has reliable, usable IT. "
Mark Davies : Teacher, The Dell Primary School

"I have had the pleasure of knowing the team at A2Z Computing for around 12 months. In this time I have used their services on a business and personal level. They have supported me and my businesses and those I have referred on with first class service and outstanding results - All done with a smile. "
Kevin Duggan : Commercial Sales Manager, Copier Mate

"The work A2Z Computing have done for me has been of the highest standard, exceptional attention to detail and always very good value for money. I have no hesitation in recommending A2Z Computing. "
Nigel Adams : Managing Director, Severn Bay Corporate Solutions Limited
