Hosting Services

A2Z Computing's dedicated and shared managed hosting solutions provide you with a flexible hosting and mail management system.

Both services are fully managed, monitored and maintained by our experienced UK based technical support team. Our system allows domains and e-mail accounts to be created and managed as well as providing you control panel access.

Servers are deemed expensive and time consuming to manage, so let A2Z Computing take the hassle out of managing and monitoring your hosting.

Features:

- Up to 10Gbps capacity
- Connection to 38 MOKS nodes throughout the UK
- Cisco equipment at all nodes
- Multiple Tier 1 carriers & 900 peering sessions
- Easily scalable
- Flexible
- 24/7 Monitoring by hosting Centre
- 24/7 UK helpdesk support
- IPv6 compatibility
- Automated backups and restore if the 'worst case scenario' occurs

Our promise:

"We **will not** sell you something you do not need."

"We have been using A2Z Computing for many years now and find their level of care and support second to none. We would highly recommend A2Z Computing not only for the exceptional service but for their value, a great job for great price, - well done."
